Ty Nant Outdoors LTD – Parental Consent Form

In addition to filling out our normal booking form, if your child is going to take part in an activity without parental supervision we need you to agree to the following statement and return this form:

Most courses at Ty Nant Outdoors include one or more adventurous activities. The centre's staff have, and fully accept, a duty of care to make those activities as safe as is reasonably practical. They are required to adhere to a comprehensive set of safety rules and there is a quality management system to monitor the fact that rules and procedures are adhered to.

However, adventurous activities are inherently hazardous and cannot be completely risk free however hard we try. Accidents can happen without any contributory negligence from the centre or its staff.

Moreover, the environment at the centre is such that we cannot "fence off" all hazardous areas. Your son or daughter must therefore help our staff to look after their safety by listening carefully to instructions, by doing what they are asked to do and by not being reckless by trying to do more than they have been briefed to do. Only give your consent if you are confident that they will behave responsibly in this way. The centre can accept no responsibility for loss of or damage to personal property or for personal injury not arising as a result of its own action or default.

I agree to my son or daughter receiving emergency medical treatment, including anaesthetic, as considered necessary by the medical authorities present and I give authority to members of staff of the centre to consent to such treatment.

I understand and accept the above statements. My son or daughter is fit for the course and will inform the centre before the course of any special medical conditions that might affect my son's or daughter's safety.

Disclosure of Risk

Ty Nant Outdoors Ltd asks you to read the following. It may have a bearing on your safety, & that of others that are involved in activities with you.

Ty Nant Outdoors has legal & regulatory obligations to provide a duty-of-care to all that participate in any of our outdoor activities. As you would expect we take all reasonable steps to provide the level of care & assurances of safety that are appropriate to each of the activities. You should though be aware that there will always be certain risks that are inherent to outdoor activities. It is not possible to eliminate these risks without destroying the character & experience of each activity. Accidents can happen without any contributory negligence from the centre or its staff. The centre can accept no responsibility for loss or damage to personal property or for personal injury not arising as a result of its own act or default.

The centre can accept no responsibility for loss or damage to personal property or for personal injury not arising as a result of its own act or default.

- Participants are strongly advised to arrange their own insurance cover. The company is unable to offer any form of insurance cover (other than public liability).

The level of real, as opposed to perceived risk associated with the activities is very low. However, the types of risk may be something with which you are not ordinarily familiar. For avoidance of uncertainty, **environments & situations that you may encounter include:**

- **Rough / rugged terrain:** this may cause you to experience greater than usual strain on joints & muscles
- **Physical effort:** our activities may involve you in a greater level of exertion than in your usual day-to-day environment.
- **Height & water:** whilst appropriate safety precautions are taken, some people can find situations at height or on water to be stressful.
- **Machinery:** the addition of machinery, such as mountain or quad bikes, in combination with the environment used for the activities, plus human error, does present additional opportunity for accidents.
- **Natural environment:** most likely to be a rapid & significant change in the weather, or unstable/slippery conditions underfoot, but can also include rock falls, lightning etc.
- **Slips & trips:** the most common cause of accident throughout society, the opportunity for slips, trips & falls is likely to be greater than that which you usually experience.
- **Loss or damage:** the environments and activities that you choose to experience may increase the potential for loss of or damage to your personal clothing or equipment.
- **Canoeing/Kayaking** are potentially dangerous activities.

As well as Ty Nant Outdoors part in ensuring as safe an environment as possible for each activity, participants also have a responsibility for safety. **Your responsibilities are as follows:**

- **Medical:** please make us aware of medical condition(s) or injuries, past or present. We can then agree with you whether or not you should participate.
- **Disabilities:** Disabled persons are welcome to participate in courses. Please send details of your specific needs to the company at the time of booking.
- **Fears & phobias:** before commencing any activity, please ensure that we are aware if you have any major concerns, fears or phobias about the situation(s) in which you are choosing to place yourself. We will work with you to help ease your feelings of discomfort/apprehension/fear, & ensure that you are as comfortable as possible.
- **Drugs & alcohol:** it is potentially highly dangerous to participate in any activity whilst under the influence of drugs or alcohol. Ty Nant Outdoors reserves the right to prevent any person participating in any activity, should we suspect that they may be under the influence of drugs or alcohol.
- **Instruction:** you must accept & act upon all direction & instruction from our instructors.
- **Water Activities:** All participants must be able to swim 25m and be confident swimming in open water unless on canal canoeing where someone must have water confidence.
- **Spectacles:** may be worn at the discretion of the Course Director. It is recommended that spectacles are impact resistant with plastic lenses and frames. The wearer must accept that injury may still occur if any form of spectacles are worn and accept full responsibility for any such injury
- **Contact lenses:** may be worn by participants at their own risk.

Ty Nant Outdoors Ltd may require any participant to leave the course if that person acts in any such manner as to endanger him/herself or any other participant. The Course Director may require any participant to leave the course if that person is not of a suitable standard to be on that particular course.

In such circumstances, if the river can be reasonably reached by using an alternative route, we will do so and the trip will not be cancelled
